

# The Collection

dispelling traditions

# Introduction

Welcome to The Collection from Formica Limited.

The Collection encompasses a wide range of stunning high pressure laminates to suit any interior environment from shops to offices, to trains and to washrooms. This comprehensive Collection includes Metallics, Veneers, Woodgrains, Plain Colours, Patterns, ColorCore® and Compact laminates.

Formica® laminate is a versatile surfacing product which offers specifiers and designers a flexibility of design, finish and application that goes beyond traditional specification, inspiring the imagination and helping to create ground-breaking interiors. Its hard wearing and easy-maintenance properties make Formica laminate the surfacing material of choice throughout the world. In fact, it is all around us in every aspect of our lives.

**SW-F2696-11**  
**RA-F2696-19**

Colour is an essential element of any interior design and the Formica® Plain Colours range provides a comprehensive palette to suit most applications.

The bedrock of the Formica Collection, the range provides a wide selection of high pressure laminates across the whole spectrum of colours. All can be postformed, are suitable for horizontal or vertical applications, and have a durable and easily

**SW-F2828-11**  
**RA-F2828-19**

cleaned surface finish. They can also be manufactured as Compact grade for the most demanding environments.

## Complementary and diverse

The Formica Plain Colours range is designed to provide complementary colours to other laminates within The Collection, allowing specifiers and designers to mix and match colours, patterns, metallics and veneers to create the most stunning

interiors imaginable. All are matched to NCS (Natural Color System) and other systems, allowing easy colour matching with other materials and finishes.

## A world of colour and style

The Plain Colours range includes the vibrant, the serene, the contemporary and the classic. A complete range to suit the needs of every type of interior environment including airports, retail outlets, offices, healthcare, education and washrooms.

### Product Availability

Item Reference	Grade	Sheet Size (mm)				
		3660 x 1525	3050 x 1320	3050 x 1220	2440 x 1220	2150 x 950
Range	HGP	•	•	•	•	•

The Plain Colours range is available in Horizontal, General-Purpose and Postforming (HGP). Vertical, Flame-retardant Postforming grade (VFP) is also available on request. All finishes are Velour.
