

Versa Pipe Boxing

Versa provides a truly adaptable solution for concealing pipe work in bathrooms, kitchens and a diverse range of other applications.

Suitable for both vertical and horizontal installation, UKTR compliant Versa one piece pre-formed pipe casings are ready-finished with a hard wearing bonded melamine surface, which is durable and easy to clean. Available in a range of sizes and two material thicknesses, Versa 5 and Versa 8, together with a choice of standard lengths, Versa also incorporates a range of dedicated accessories.
